FATHER LEONARD IS RAISING MONEY FOR EQUIPMENT FOR THE CATHOLIC INSTITUTE OF KABGAYI.

Founded in 2002 by the Catholic Diocese of Kabgayi, Rwanda, the school's vision is to be a center of Academic and Professional Excellence. Its mission is to advance and promote knowledge and development of skills in professionalism and innovativeness through quality education, research and community services for the transformation of society and sustainable development. In all its teaching and research-related activities, ICK strives to instill the values of truth, justice and solidarity for the integral development of mankind. After beginning with 311 students, its current student body has grown to 1,174.

The school faces steep financial obstacles, however, because its students cannot pay the tuition required to adequately support it. As a result, it is nearly impossible to obtain the equipment needed to advance their education.

Examples of items needed:

- Projectors
- Cameras
- Recorders
- Desks
- Chairs
- School supplies

**There is no admission, but a free will offering will be taken. You also may mail checks payable to
