HOLY MASS

The Ten Commandments of Reverence for the Blessed Sacrament

6. Pass time with the Eucharistic Jesus outside of Holy Mass. The Eucharist is always to be adored—before, during, and after the Mass, whether exposed in the Monstrance or reposed in the Tabernacle.

7. Make frequent Spiritual Communions in which we invite the Lord into our souls in a similar manner as when we sacramentally receive Holy Communion during Mass. These Spiritual Communions may be made anytime and anywhere.

8. Cultivate a special relationship with Mary, the Woman of the Eucharist. Pray her Most Holy Rosary. Wear her Brown Scapular and her Miraculous Medal. Ask her for the virtue of chastity for yourself and in all your dealings with your neighbors. Purity is vital. If you fall grievously, go to Confession before receiving Holy Communion.

Saint of the Week

23 June Saint Joseph Cafasso

He was born in 1811 in the Piedmont, northern Italy, with a badly twisted spine, a deformity he seemed to accept from the very beginning. His parents, hard-working peasants, saw in little Joseph a love of prayer and sent him to the seminary. Even as a young man, Joseph's personality was magnetic. Saint John Bosco, only three years younger, met him for the first time and told his mother he was a saint. Not long after, Saint John became one of Joseph's seminarians. Though his body was deformed, he compelled the heart of his hearers by his beautiful voice. Joseph shared with John his vision for Catholic education and his intense love for those on the margins of society. Between lectures, Joseph visited the jails. He heard the prisoners' confessions and taught them to accept their sentences with patience. In all, Joseph went with sixty men to their execution. He called them his "hanged saints." Joseph counseled penitents with the utmost mercy. He wrote, "When we hear confessions, our Lord wants us to be loving and merciful, a father to all who come to us. If we repel anybody, if any soul is lost through our fault, we shall be held to account." Joseph died of pneumonia and congenital problems in 1860, aged forty-nine.

Saint Joseph Cafasso, pray for us!

Respect Life Ministry

Jesus poured out his Blood as the price and the laver, so that we might be purified of all sin: not to lose hope, let us look to Him, drink at his font, to be shielded from the risk of corruption. The we will feel the grace of transformation: we will always be poor sinners, but the Blood of Christ will free us from our sins and restore our dignity. It will free us from corruption. Not by our merit, with sincere humility, we will be able to bring our brothers the love of our Lord and Saviour. We will be his eyes which go in search of Zacchaeus and Mary Magdalene; we will be his hand which soothe those who are sick in body and spirit; we will be his heart which loves those in need of reconciliation, mercy and understanding.

~Pope Francis, Homily, Solemnity of the Most Holy Body and Blood of Christ, June 4, 2015

FORTNIGHT FOR FREEDOM Highlighting the importance of defending religious freedom, the Fortnight for Freedom takes place June 21—the vigil of the Feasts of St. John Fisher and St. Thomas More—to July 4, Independence Day. Prayer resources & more: www.fortnightforfreedom.org

Respect Life Prayer Intention:

May our love for Jesus in the Eucharist, his real Body and Blood, bring us together in cherishing all human life.

Prayer for Fathers

St. Joseph, guardian of Jesus and chaste husband of Mary, you passed your life in loving fulfillment of duty. You supported the holy family of Nazareth with the work of your hands. Kindly protect those who trustingly come to you. You know their aspirations, their hardships, their hopes. They look to you because they know you will understand and protect them. Your too knew trial, labor and weariness. But amid the worries of material life your soul was full of deep peace and sang out in true joy through intimacy with God's Son entrusted to you and with Mary, his tender Mother. Assure those you protect that they do not labor alone. Teach them to find Jesus near them and to watch over him faithfully as you have done.

~Pope John XXIII

“...only when a young man has had a personal experience of Christ can he truly understand the Lord's will and consequently his own vocation. The better you know Jesus the more His mystery attracts you. The more you discover Him, the more you are moved to seek him.” ~Pope Benedict XVI

Intensive Introduction to Attic Greek Course at Northeast Catholic College

The importance of learning Greek cannot be overstated. Western literature, drama, philosophy, political systems, all begin in Classical Athens and can be best understood when read in the original. Additionally, learning Attic Greek gives students access to literature not only of that specific era, but back to the works of Homer and forward through Patristic literature to the Byzantines. This course offers students an intensive survey of Attic Greek grammar and vocabulary over three weeks, covering approximately two semesters worth of material. Additionally, students will begin translating short passages of Greek text. The course is designed to be an introduction for students interested in the Classics who would like to move more quickly to begin translation courses, or as a resource for teachers of Classical languages such as Latin who would like to begin teaching Greek as well. This three-week course runs from Monday, July 24 through Friday, August 11, 2017. The cost is \$450 for commuter students and \$750 for residential students (room and board included). To register and view the course syllabus visit www.NortheastCatholic.edu For more information, contact the admissions office at admissions@northeastcatholic.edu or 603-456-2656
