HOLY ANOINTING OF THE SICK

We have, in the past two years or so, examined the Holy Eucharist and the Sacrament of Penance or Reconciliation in this column. These are, without a doubt, the two sacraments we receive most frequently as practicing Catholics. Holy Anointing is, after those two, the Sacrament a priest most often administers, especially if he is a hospital chaplain. It is also one that many people know relatively little about, mainly because when it is received, it is a time of crisis and suffering, and it is not easy to focus on the rite. Learning about it now will mean we can enter more fully into it, should the occasion arise when we need it. May God keep us healthy and strong, but by his grace and help, we have his promise of his unfailing presence whenever we fall seriously sick: the Sacrament of Holy Anointing.

SAINT OF THE WEEK

16 May ~ Saint Andrew Bobola. He was born to a noble Polish family in Sandomir in 1591. At the age of 20, he entered the Jesuits; after his ordination, he distinguished himself by his preaching and his tender care for plague victims. At this time, Poland was suffering waves of attacks by Russians and Cossacks, who supported the Orthodox against their Catholic neighbors. Andrew was sent to minister to the threatened Catholics in Lithuania. He built up the courage of the persecuted and engaged the Orthodox in debate, often winning them to the Catholic faith. He was called the "Hunter of Souls." At last, the bloody wars drove the Jesuits to Pinsk, where they found refuge on the estate of a Catholic prince. Andrew left the grounds daily to visit the faithful nearby. In 1657, the Cossacks abducted him after he had gone out to celebrate Holy Mass. He was beaten, dragged, gouged, flayed, and burnt. A sabre thrust to the heart ended his life. His body was buried in Pinsk, and in 1730 his grave was opened and his body was found to be incorrupt. He was canonized in 1957 by Pope Pius XII. He is patron of Poland and especially of the Archdiocese of Warsaw. Saint Andrew Bobola, pray for us!

CATHOLIC CHARITIES
DIOCESE of FALL RIVER

FOR SO MANY, THE CATHOLIC CHARITIES

APPEAL has served as a foundation of hope for 74 years. The Appeal is bridging lives and bringing hope by feeding the hungry, mending the broken hearts of children, aiding the elderly, providing counseling, and forming many types of support groups.

This weekend, you will be asked to donate to the Catholic Charities Appeal. Please keep in mind that your contribution is on behalf of those not able to ask for your help themselves. 93 cents out of every dollar you give goes directly to assisting those who have fallen on difficult times. Through your generosity in this campaign, we all can offer a bridge to a better life.

POLISH FOOD MAKING

takes place on Wednesday mornings following the 7:00 a.m. Mass. Please join us! Many hands are needed. No experience is necessary!

Respect Life Ministry

A society without mothers would be a dehumanized society, for mothers are always, even in the worst moments, witnesses of tenderness, dedication and moral strength. Mothers often pass on the deepest sense of religious practice: in a human being's life, the value of faith is inscribed in the first prayers, the first acts of devotion that a child learns. It is a message that believing mothers are able to pass on without much explanation: these come later, but the seed of faith is those early precious moments. Without mothers, not only would there be no new faithful, but the faith would lose a good part of its simple and profound warmth . . . Dearest mothers, thank you, thank you for what you are in your family and for what you give to the Church and the world. And to you, beloved Church, thank you, thank you for being mother. And to you, Mary, Mother of God, thank you for letting us see Jesus. ~ Pope Francis, General Audience, January 7, 2015
